Art. 540, applying as it does to officers drawing Rs: 200 + above, does not cover the case of those getting less than Rs: 200. Has the Govt: reserved to themselves any power to accord special treatment in cases not covered by that article? The enabling power to the grant of such concession did not exist even in the old article 540.

Instead of the words "in the case of officers on the Dewan's personal staff - a Carnatic horse" to include the present case and in all cases a bicycle may be taken in addition the taking of such a bicycle may be permitted

I think Asst Secy's interpretation is rather far-fetched. "Officers of the Dewan's personal staff" cannot evidently include all officials & clerks. After the word staff in clause (3) of the draft "whose pay is drawing" over Rs 200 a month"

should perhaps be added to clear up the matter.

The sanction accorded is not in accordance with the new rule and the case should be submitted to the Dewan for favour of orders as to whether the rule should be changed or the sanction regarded as cancelled.

Three officials of the Dewan's Office were given permission under amended Article 540 of Mysore Service Regulations to take one bicycle each by rail whenever they had to accompany the Dewan on duty.

2. The Financial Branch contend that said Article 540 is inapplicable to the case of these officials whose pay is less than Rs.200 per mensem.

page 3 of office note

3. The question is whether the words "in the case of officers on the Dewan's personal staff" in clause 3 of Article 540 should be read with limitations in regard to their salary as the Financial Secretary would seem inclined to hold.

B. (3)

4. While I am not prepared to recommend any amendment of Article 540 of Mysore Service Regulations so recently approved by His Highness, I may explain that the clerks on the establishment of the Dewan's Office irrespective of pay were in my view when I drafted the Article. The reason was that they have to equip themselves with some such means of locomotion

6

to accomplish out-door work of sorts on which they have to be deputed on emergent occasions while the Dewan is on tour at Mysore and elsewhere. This is more especial ly so after the withdrawal of the Government Tongas. And the question is whether the Article as it stands does not cover the officials whose cases are under considera tion.

5. I submit the matter for orders.

PRIVATE SECRETARY MYSORE

The Palace, Mysore,
29th October 10.

My Dear Sir,

His Highness directs me to return File No.1571 to you and to ask in what way you think it best to dispose of the matter. The wording of the article " Officers on the Dewan's personal staff" is unfortunate if it was meant to include Superintendents and clerks. Why not alter it so as to convey the meaning that was intended? Apparently however you are reluctant to alter the wording of the article. Unless the wording of the article be altered His Highness does not see what can be done to help the officers referred to.

Yours sincerely,

R. Rangachari

My dear Sir,

In regard to the observation overleaf suggesting that the word "officer" may not be understood as including Supts or Clerks of the Revenue Office establishment, may I solicit a reference to the very first article in the Service Regulations relating to Travelling allowances, viz art: 534 as well as the subsequent articles - I

Can hardly be held that T. A. are not due to Supts & Clerks & yet this would be the result if your suggestion held good

Yours sincerely

R. H. Campbell Esq ICS

This document referred to in my letter to the Secretary of State for War dated 4/11/10. Sends it to him

No amendt is called for

The Chairman will move that these words be omitted

My dear Sir

The individuals whom we are discussing are of course officers but the point is whether they can be described as being on the Dewan's "personal" staff. I quite think not. His Highness is willing to accept any reasonable solution of the difficulty which you can suggest & I think willing to allow the Officers referred to some concession as regards bicycles. He only asks you to solve the difficulty.

Yours truly

R. Clarmont Skrine

Why not amend Art. 540 by specifying the employés on the Dewan's staff who may take a Bicycle at half expense
